

IT'S A GREAT DAY TO BE AN EAGLE!

2023 - 2024

#ALWAYSIS

Reach high, for stars
lie hidden in your soul.
Dream deep, for every
dream precedes the goal.

Pamela Vaull Starr

A silhouette of a person stands on a dark, rocky outcrop, looking up at a vibrant display of the Aurora Borealis (Northern Lights) in a starry night sky. The aurora shows green and red hues. The person is positioned centrally in the lower half of the frame, creating a sense of scale and contemplation.
